Business Description

One of 500+ Auto Service Businesses Offered by Art Blumenthal

Are you looking for an amazing opportunity to purchase an independent auto repair and inspection/emissions center with annual sales of \$785,000? This profitable business generates \$152,000 in cash flow, affording an owner/operator an outstanding salary after debt service. Located in southern New Hampshire, only a few miles from the Massachusetts border, the Business is well established with AAA certification and A+ rating from the Better Business Bureau. The Business comes complete with well maintained equipment for a full service auto repair business, including brakes, lube-oil-filter, engine & transmission diagnosis/repair, steering & suspension, starting & charging, heating & cooling, diesel service, hybrid service, and tires, wheel balancing and alignment. The 5,000+ square foot shop has 6 service bays (6 lifts), with room for storage, parking for 50 cars, and an attractive customer waiting area. Knowledgeable Technicians with over 60 years of combined experience will support an entrepreneurial new owner who wishes to further grow the business. The Seller will provide training and support during the transition period. The Business has a long term lease and a renewal option at reasonable rent. The Business qualifies for Bank/SBA financing, so it can be purchased by a qualified buyer with an \$60,000 down payment. The Seller currently owns multiple locations and wishes to downsize and focus his energy on his operations that are closer to his family residence. With a great reputation for quality, convenience and trusted service, this Business offers a Buyer a unique opportunity to control your own destiny and realize your dreams of owning a respected

business in a desirable New England community. The Asking Price has recently been reduced to \$350,000, plus inventory.
